

Premier Banks

New Mobile App Coming May 27th, 2025

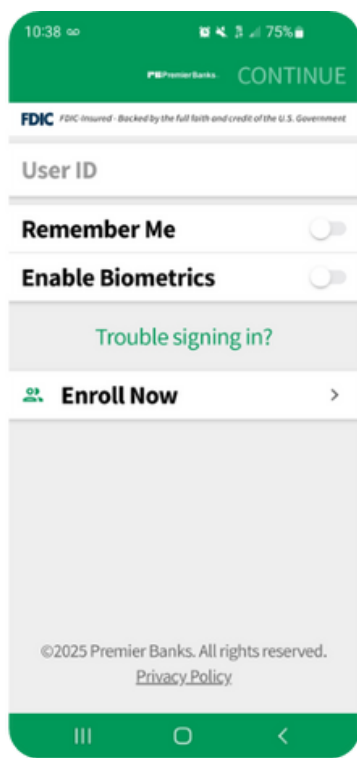

MODERN AND RESPONSIVE

A fresh and modern experience
that works on any device.

The app displays the first five accounts,
with the ability to click “View All”
to display all accounts.

Your login credentials
stay the same

Your username and password will stay the same.

The app will automatically update for customers
who have automatic updates enabled on their device.

Customers who do not have automatic updates
enabled on their device will be prompted with
an error message informing them to download
the new version before they can proceed.

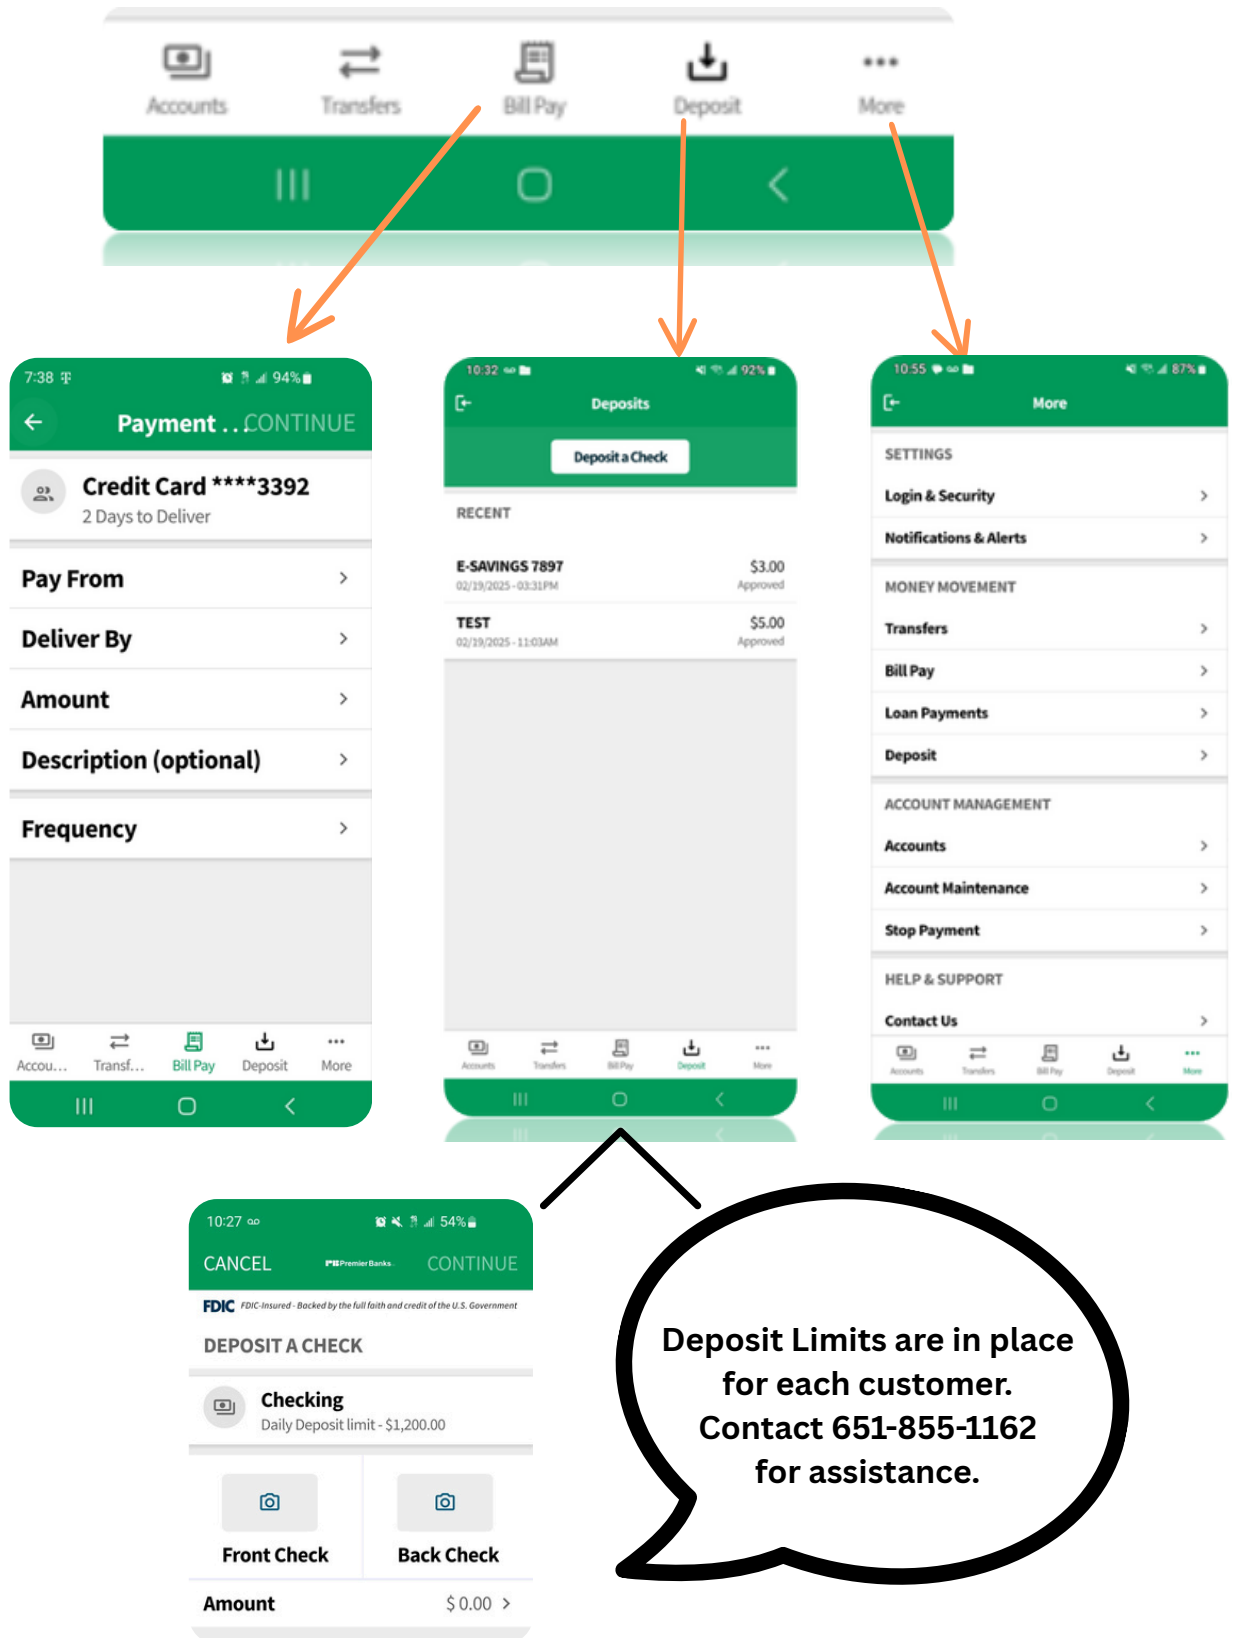

Contact us with questions about the upgrade at
651-855-1162 or email onlinebanking@premierbanks.com

IMPROVED NAVIGATION

Click "More" on the bottom of the Mobile App screen to display full account Settings, Money Movement, Account Management, and Help & Support.

IMPROVED PASSWORD MANAGEMENT

Easily update your password directly through the Mobile App. Review the required field check marks to ensure you meet the password requirements.

A screenshot of the "Change Password" screen in the Gmail app. The top status bar shows the time as 10:57, signal strength, Wi-Fi icon, and battery level at 86%. The header bar is green with white text containing three buttons: "CANCEL", "Change Password", and "CONTINUE". Below the header are three input fields labeled "Current Password", "New Password", and "Confirm New Password", each with a toggle icon on the right. Under the "Confirm New Password" field is a list of password requirements with five radio button options. The third option, "At least 0 lower case letter", is selected with a blue checkmark. At the bottom, a message states: "Your password was last changed on March 5, 2024."
